EDUCATION HISTORY

Still on College Will Graduate in 2023 at
Universitas Islam Negeri Sultan Syarif Kasim Riau
Majority Informatic Engineering | GPA : 3.54
Informatics is a discipline of science that involves information processing practices and system engineering. This scientific discipline is an application of information science that considers the interaction between humans and information on interface construction, technology, and systems. Along with the advancement of computer technology, the quantity and quality of digital information processing by individuals and organizations is increasing. This requires learning and research in the Informatics disciplines in terms of computing, mathematics, biology, cognitive, and social aspects, including studies of the social impact of information technology.

- Actively participates in more than 10+ campus events, such as competitions,webinars, and skills training workshops.

COURSE & CERTIFICATE

- **Certified Global Metaverse Engineer Associate Exam**
Train4Best & Person Vue
Nov 2022
- **Metaverse Engineer**
Fresh Graduate Academy DTS 2022
Nov 2022
- **React JS For Web Development**
Fresh Graduate Academy DTS 2022
Aug 2022
- **4 Study Course React JS Progate 2021**
Nov 2021
- **4 Study and 3 Training JS Progate 2021**
Nov 2021
- **4 Study and 3 Training JS Progate 2021**
Nov 2021
- **Course Git Progate 2022**
Nov 2021

ORGANIZATION

- **Expert Team IXD Lab**
Vice Chancelor | Nov 2021- Jul 2022
regarding discussions around UI and UX
who is responsible for coordinating a workshop and as Expert Team
- **HIMATIF 2022**
Kabiro Intelektual | Jan 2022- Nov 2022
Has conducted research and workshops about academics in the informatics engineering department,and make mockups website For himatif
- **LPRPM UIN SUSKA RIAU**
Kominfo | Feb 2021 -Jan 2022
as editor jurnalistic on feed instagram and Video Editor on youtube LPRPM UIN SUSKA RIAU
Nov 2022
